Français

La Nina faisait partie de l'expédition qui groupait la PINTA aux côté de la SANTA MARIA lors du voyage qui devait selon Christophe Colomb, le conduire vers les INDES et au lieu de cela découvrit le nouveau monde (l'Amérique). Elle était ainsi que la NINA la propriété des frères PINZON. Cette caravelle jaugeait 60 tonneaux. Elle était commandée, pour cette expédition, par Vincente Yanez PINZON, le cadet des trois frères et avait un équipage de 22 hommes.

English

Alongside the Pinta and the Santa Maria, the Nina was part of the fleet which Christopher Columbus thought would take him to India. In fact, he wound up discovering the new world (America). The Nina, like the Pinta, was owned by the Pinzon brothers. She was a 60 ton caravel, and was captained on this expedition by Vincente Yanez Pinzon, the youngest of the three brothers. The ship was manned by a crew of 22.

Deutsch

Die Nina war zusammen mit der Pinta und der Santa Maria eines der drei Schiffe mit denen Christoph Kolumbus aufgebrochen war, um einen neuen Seeweg nach Indien zu finden. Statt der neuen Route, entdeckte er auf dieser Fahrt einen neuen Kontinent; Amerika. Wie die PINTA gehörte auch die NINA den Brüdern PINZON. Kommandant der 60-Tonner Karavelle mit 22 Mann Besatzung war Yanez PINZON, der jüngste der drei Brüder.

Español

La Niña formaba parte de la expedición que agrupaba la PINTA, al lado de la SANTA MARIA, en el viaje que, según Cristóbal Colón, debía llevarles a las INDIAS, descubriendo en su lugar el nuevo mundo (América). Al igual que la PINTA, pertenecía a los hermanos PINZON. Era una carabela de 60 toneladas. En esta expedición estaba bajo el mando de Vincente Yanez PINZON, el menor de los tres hermanos, y tenía una tripulación de 22 hombres.

Italiano

Insieme alla PINTA e alla SANTA MARIA, la NINA faceva parte della spedizione che avrebbe dovuto condurre Cristoforo Colombo verso le INDIE e che lo portò invece alla scoperta del Nuovo Mondo (l'America). Anch'essa apparteneva, come la PINTA, ai fratelli PINZON. Era una caravella di 60 tonnellate di stazza il cui comando venne assunto, per questa spedizione, da Vincente Yanez PINZON, il più giovane dei tre fratelli, che aveva ai suoi ordini un equipaggio di 22 uomini.

De NINA mate samen met de PINTA en de SANTA MARIA deel uit van de expeditie van Christopher Columbus waarvan hij dacht dat de weg hem naar INDIE zou voeren, maar tijdens welke hij de nieuwe wereld (Amerika) ontdekte. Het schip was, evenals de PINTA, eigendom van de gebroeders PINZON. Het is een karavel van 60 ton. Tijdens deze expeditie stond zij onder bevel van Vincente Yanez PINZON, de jongste van de drie broers, en had een 22 koppige bemanning.
